sure foundations. The budget I have placed before you has sight of this new democracy which is broad based on adult suffrage. I may claim that it has been drawn on a bold plan, for it is no virtue for a people newly liberated to be too conservative. These are days of electricity and we must all work with speed and work hard and work together. I appeal for that co-operative effort which alone can lead us to success. And I trust I will not have appealed in vain.

Before I conclude may I acknowledge my deep obligation to the Financial Secretary and his Assistants who had a most unusually difficult task this time in reconciling figures under new heads and this has also necessitated a more elaborate explanatory memorandum. When you see the estimates I am sure you will appreciate their assistance and work as well as I do. JAI HIND.

Mr. SPEAKER.—The House will adjourn for lunch for half an hour.

The Assembly adjourned for lunch at Forty Minutes past Three of the Clock and reassembled at Ten Minutes past Four of the Clock, Mr. Speaker (The Hon'ble Sri V. Venkatappa) in the Chair.

Mr. SPEAKER (The Hon'ble Sri V. Venkatappa).—The Hon'ble Minister of Finance will now lay before the House the Statement of Supplementary and Additional Grants for 1950-51.

The Hon'ble Sri H. C. DASAPPA (Minister for Finance and Industries).—Sir, I beg to lay before the House a Statement of Supplementary and Additional Estimates and Schedule of Demands thereof, copies of which have already been distributed to the members.

Mr. SPEAKER.—The Demands will be taken up on Saturday, the 24th March 1951. Hon'ble Members who desire to give notice of cut motions may do so by tomorrow evening.

LEGISLATIVE BUSINESS.

Mr. SPEAKER (The Hon'ble Sri V. Venkatappa).—Now Legislative Busi- will be taken up. The Hon'ble Chief Minister may now move the Mysore University (Amendment) Bill.

The Mysore University (Amendment) Bill, 1951.

Motion to consider.

The Hon'ble Sri K. CHENGALARAYA REDDY (Chief Minister).—Sir, I beg to move:

"That the Mysore University (Amendment) Bill, 1951, be taken into consideration."

This is a very simple Bill. The objects in introducing this Bill are two-fold. Firstly, it is proposed to reorganise the University under a new enactment and naturally it will take some time before the Bill that is to be sponsored

for this purpose is passed into law. In the meanwhile, the terms of the Senate and other University authorities under the present Act are due to expire on the 30th June. It is considered desirable to reconstitute these bodies under the new enactment. It is not desirable to hold elections for the constitution of these bodies under the existing Act. So it is proposed to take power to extend the term of these bodies such term not exceeding one year in the aggregate. So section 19 of the present University Act is proposed to be amended for that purpose.

Secondly, the Representative Assembly and the Legislative Council under the old Government of Mysore Act could elect eight members and four members respectively from those bodies to serve on the Senate of the Mysore University. Since those two legislative bodies ceased to exist after the coming into effect of the Constitution of India, the Legislature is not represented on the Senate. It was hoped that the new University Act would come into existence by now and as such immediate steps were not taken to amend the Act in order to enable the Legislative Assembly to elect its own members to serve on the Senate. Since now we propose to have the new University Bill enacted and since it will take some time and we want to extend the life of the existing bodies under the University Act, it is considered desirable to enable the present Legislative Assembly to elect eight members to the existing Senate under the University Act. So an amendment is proposed for that purpose also.

It is with a view to fulfil these two objects the present amending Bill is being placed before this House. I hope this will command the universal approbation of this House.

Mr. SPEAKER.—Motion moved :—

"That the Mysore University (Amendment) Bill, 1951, be taken into consideration."

Sri K. PUTTASWAMY (Mandya District—General).—Sir, I beg to move:

"That the Mysore University (Amendment) Bill, 1951, be referred to a Select Committee consisting of the following members :—

Sri M. N. Jois.
Sri K. Singari Gowda,
Sri T. Madiah Gowda
Sri M Madiah.
Janab Mohamed Valiulla.
Sm. Ratnamma Issac and
The mover."

The amendment is a minor one and is not of a major character. So the Select Committee may be directed to submit its report during the present session alone.

Mr. SPEAKER.—Amendment moved :

"That the Mysore University (Amendment) Bill, 1951, be referred to a Select Committee consisting of the following members :

Sri M. N. Jois.
Sri K. Singari Gowda.
Sri T. Madiah Gowda.
Sri M. Madiah.
Janab Mohamed Valiulla.
Sm. Ratnamma Issac and
Sri K. Puttaswamy (Mover) with instructions to report during the present session of the Assembly."

***The Hon'ble Sri K. CHENGALARAYA REDDY.**—Ordinarily there was no necessity for a Bill of this kind to be referred to a Select Committee. That was also what we intended to do. But in 1939 I find that Section 13 of the University Act was amended. In the light of that amendment, the numberings of the various sub-clauses do not seem to have been made at that time. So what was by oversight not done in 1939 when the University Act was amended, we have got to look into, and amend it now in such a way that the sub-clauses and the numberings and other things may not create any confusion. That is why I would welcome this Bill being referred to a Select Committee so that the technical side be corrected and the Bill brought before this House. I accept the amendment.

Mr. SPEAKER.—The question is :

"That the Mysore University (Amendment) Bill, 1951, be referred to a Select Committee consisting of the following members :

Sri M. N. Jois.
Sri K. Singari Gowda.
Sri T. Madiah Gowda.
Sri M. Madiah.
Janab Mohamed Valiulla.
Sm. Ratnamma Issac and
Sri K. Puttaswamy (Mover).

with instructions to report during the present session of the Assembly."
